GIG STAND® FOLDING MUSIC STAND

THE CONVENIENCE OF A PORTABLE STAND WITH THE STURDINESS OF A CLASSROOM STAND.

The Gig portable music stand is no pushover. It stands up to the weight of an oversized folder loaded with music. Solid, durable. Built to endure all the banging around that a heavy travel schedule can dish out. Sets up and adjusts in seconds and holds its position tight until the musician changes it.

Only the Gig stand adjusts to the extra low positions preferred by jazz bands, guitarists and chamber ensembles. Simply raise the swing-lift arm and extend it to reach over timpani or handbell tables bringing the music up high and close to the performer. When the performance is over, just fold up the Gig stand, grab the handle and go.

- Portable stand with 20" x 14" (508 x 356 mm) aluminum desk and 16-gauge steel tube and base.
- Cantilever arm for wide range positioning of desk.
- Height adjustment 10" to 42" (254 x 1067 mm) (desk lip to floor).
- Folds down to 20" x 24¹/₂" x 4⁵/₈" (508 x 622 x 117 mm) with its own carrying handle.
- Black powder coat finish.
- 10- year warranty.
