# MUSIC STANDS

## BRAVO™ MUSIC STAND

The Bravo Music Stand stands tall and sturdy among its peers. Distinguished by its classic appearance, uncompromising polycarbonate construction and ideal size, it's the perfect complement to your rehearsal or performance space. Professional in appearance and built to last, the Bravo Music Stand is proof that form and function can play well together.

### FEATURES/SPECIFICATIONS

- Desk is made of lightweight, impact and scratch-resistant polycarbonate
- Desk measures 20 $\frac{3}{8}$ "w x 16 $\frac{3}{4}$ "h including shelf
- Stand measures 22 $\frac{1}{2}$ " - 46 $\frac{1}{2}$ " desk lip to floor
- 1 $\frac{1}{4}$ " outer post adds stability
- 18-gauge inner post for strength and stability
- Accessory shelf holds pencils, reeds, etc.
- Durable powder-coat paint or chrome finish
- 12-gauge welded steel base provides superior stability
- Easy friction height adjustment holds 11 lb

## CLASSIC 50® MUSIC STAND

The Classic 50 Music Stand hits the sweet spot between traditional aesthetics and modern performance. It combines a refined, classic appearance, hassle-free operation and durable polycarbonate construction into a lightweight package that is built to last. This stand offers musicians and educators the traditional elegance without the traditional headaches.

### FEATURES/SPECIFICATIONS

- Made of lightweight, impact and scratch-resistant polycarbonate
- Desk measures 20" w x 13½" h
- Stand extends 25" - 49" desk lip to floor (shorter model available)
- Desk recessed to hold pencils, reeds, etc.
- Stand weighs just under 5 lb
- Easy friction height adjustment holds 9 lb
- 1" post makes it easy to carry two stands in one hand
- GREENGUARD Certified

CLASSIC 50 STAND

---

”

*“We have had the Classic 50 Stands for nearly a decade now and they are great ... they really do last. Despite the best efforts of many teenagers, the Classic 50 stands have survived ten years with flying colors.”*

- Denis Totton, Senior Music Coordinator, Methodist College, Belfast, Northern Ireland

## ROUGHNECK™ MUSIC STAND

As the name suggests, the RoughNeck Music Stand is a durable, all-steel stand, built to endure the daily abuse of rehearsals and transport yet still look good on the day of the performance. Made of 22-gauge steel, the RoughNeck holds up to 30 pounds, is well balanced and built to last. Tried-and-true all-steel durability has never looked this good.

### FEATURES/SPECIFICATIONS

- 12-gauge steel welded base for extreme stability and longevity
- Desk measures 20" w x 12½" h
- Stand extends 27" - 43" desk lip to floor (shorter model available)
- One-hand trigger lock mechanism holds 30 lb
- Desk is made of 22-gauge steel with rolled edges for strength and protection
- Durable powder-coat paint finish
- GREENGUARD Certified

## GIG® STAND

Maximum portability meets maximum stability. The Gig Stand offers musicians on the go a durable, high-quality stand built for travel. The Gig Stand also features a lift arm that moves the desk up and down to accommodate the special needs of timpanists, bell choirs and jazz musicians. Just fold and go.

### FEATURES/SPECIFICATIONS

- Unique cantilever arm adjusts desk height from 10" to 42", desk lip to floor - our lowest height option available
- Base is 16-gauge steel tube
- Built-in carrying handle makes for easy traveling
- Durable powder-coat paint finish resists scratching and chipping
- Folds down to 20" w x 4⅝" d x 24½" h
- Aluminum desk measures 20" w x 14" h

## UNIVERSAL TABLET STAND

Here is something Vivaldi could never have seen coming: the Universal Tablet Stand. Built on the same trusted sturdy base as our standard-setting Bravo Stand, the Universal Tablet Stand brings traditional functionality to the modern age. Spring-loaded clamps gently secure your tablet to the stand, with or without a case.

### FEATURES/SPECIFICATIONS

- Holds most tablets from 5" - 13" in size and up to 1¼" thick - one dimension of tablet must be less than 8¼"
- Spring loaded, rubber coated clamps gently secure tablet to stand
- Friction height adjustment mechanism adjusts height from 29" - 50¼", as measured from floor to center of support
- 360-degree rotation with locking positions in portrait and landscape orientations

### ACCESSORIES

Hands Free Page Turner

Spring-loaded finger clamps for a secure hold.

**HANDS-FREE PAGE TURNER**  
Simply turn on and pair, silent, hands-free page turning and app controls, internal rechargeable battery without messy cables.

## MOVE & STORE CARTS

Wenger Move & Store Carts make it easy for you to transport stands from the rehearsal space to the auditorium and back again with ease and efficiency. Having your stands neatly arrayed on a cart simplifies stand setup and protects your stands during transport.

### FEATURES/SPECIFICATIONS

- Large wheels deliver a smooth ride up ramps, around corners and over thresholds
- Dual-wheel design and easy-grip handles increase control around corners and going up and down stairs
- Large Cart holds eighteen Bravo™, twenty RoughNeck™, twenty Classic 50® or up to twenty-four Preface® Stands
- Small Cart holds nine Bravo, ten RoughNeck, ten Classic 50, or up to twelve Preface Music Stands
- Accommodates stands from most other manufacturers
- Easy for one person to handle
- Loads and unloads quickly from both sides
- Lockable to secure your stands when in storage
- GREENGUARD Certified
