Find your Ideal Career at the Ideal Company

As a world-class provider of solutions for music education, performing arts and athletic equipment storage, Wenger offers employees the chance to see a product go from an initial idea to an incredible performance.

We offer the best and brightest the chance to apply your valuable expertise and perspective to a game-changing brand. Whether you are from inside or outside of the industry, the chance to solve unique challenges with innovative solutions will fuel your work on a daily basis.

As an innovator, Wenger knows that great ideas can often come from the perspectives of new employees. So we embrace your unique skills and expertise, and we create an environment of trust and autonomy that gives you the freedom to make decisions, use your talents and make your mark.
